## BOOK SYNOPSIS

Watch as the lines evolve into stylish, iconic portraits readers will want to remove and display! The 20 puzzles in this book are much more sophisticated than the one-dimensional images created in childhood connect-the-dot activity books, and include icons Elvis Presley, Muhammad Ali, John F. Kennedy, and more. Tonal shading and a sense of depth build with each number set completed. Dot-to-dot puzzles have also been proven to increase short-term cognitive acuity, hand-eye coordination, and concentration skills. Whether artists are filling time on a rainy day, using the puzzles for a party game, or learning the principles of drawing, 1000 Dot-to-Dot: Icons is fun for all ages.

**1000 DOT-TO-DOT CITIES** - Are you looking for Ebook 1000 Dot-to-Dot Cities? You will be glad to know that right now 1000 Dot-to-Dot Cities is available on our online library.
