BOOK SYNOPSIS

I swore a solemn oath that saw to the end of the Cormacs, a family of hunters that persistently sought to rid my covens existence. For years we have lived in the shadows, free from hunters and the weapons of wood that could destroy us. But the familiar scent of Cormac blood is awakening my senses. We were certain that we had ended the bloodline. Now, the vow I swore plagues my mind. The guilt I harbour buries deep. The desire and lust burns. My pledge to my family is now a promise to protect the woman I love. Aurelia Galligan is a descendant of the Cormac bloodline. I should drain her. I have to destroy her. But she may just end me. **This is a forbidden vampire romance between the hunter and the hunted. The content is not suitable for readers under the age of 18.**
