BOOK SYNOPSIS

Diane Aronson Svarliens translation of Euripides *Andromache*, *Hecuba*, and *Trojan Women* exhibits the same scholarly and poetic standards that have won praise for her *Alcestis*, *Medea*, *Hippolytus*. Ruth Scodel's Introduction examines the cultural and political context in which Euripides wrote, and provides analysis of the themes, structure, and characters of the plays included. Her notes offer expert guidance to readers encountering these works for the first time.
