BOOK SYNOPSIS

Danny Dragonbreath and his best friend Wendell thought the hot dog from the school cafeteria looked a little . . . off. Then things got weird when the hot dog bit Wendell, and weirder still when Wendell started to sprout back hair. Could Wendell be morphing into a . . . (cue ominous music) were-wiener? All evidence points to yes. And unless he and Danny can get past the lunch ladies and slay the alpha-wurst, the whole school could be infected. Written in Ursula Vernons trademark hybrid style of comic-book panels and text, this is the thrilling third book in the series. In a starred review, Kirkus Reviews said Dragonbreath "will leave readers in stitches- and on tenterhooks waiting for the next one." Curse of the Were-Wiener will make kids everywhere laugh, shriek, and take a closer look at their lunches. Perfect for fans of Wimpy Kid and Bad Kitty.

DRAGONBREATH CURSE OF THE WERE-WIENER - Are you looking for Ebook Dragonbreath Curse Of The Were-wiener?
