BOOK SYNOPSIS

A courtship is a journey of discovery... ..but what do we know of the official betrothal of Fitzwilliam Darcy and Elizabeth Bennet? We may assume there were awkward social events to navigate, tedious wedding arrangements to negotiate, and Bingleys toplofty sisters to accommodate. How did Darcy and Elizabeth manage these travails, and each other? Longbourn to London is not a Pride and Prejudice "what if," nor is it a sequel. Rather, it is an expansion of the betrothal of Jane Austens favorite couple. We follow Lizzys journey from spirited maiden scampering about the fields of Hertfordshire to nervous, blushing bride in Mayfair, where she learns the unexpected joys of marriage to a man as willing to be teased as she is to tease him. Join us as IPPY award-winning author Linda Beutler (2013 Silver Medal, Independent Publishers Awards, for The Red Chrysanthemum) imagines the betrothal and early honeymoon of Jane Austens greatest couple. Includes mature content.
