Applying to combined BS/MD programs really, really stinks - unless you're guided by the right person. That's what Jayson - a student who got into some of the nation's top BS/MD programs at Brown, Caltech, and Penn State through countless nights of energy drinks - realized when he was in high school. This book fixes that. More Than Just BS is Jayson's unique, tested, foolproof plan to acing the apps for these crazily competitive medical programs.
