

# Practicing Statistics Guided Investigations for the Second Course

---

## BOOK DETAILS

- Author : Shonda Kuiper
- Pages : 432 Pages
- Publisher : Pearson
- Language : English
- ISBN : 0321586018

## BOOK SYNOPSIS

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Building on the introductory course, *Practicing Statistics: Guided Investigations for the Second Course* presents a variety of compelling topics for a second course in statistics, such as multiple regression, nonparametric methods, and survival analysis. Every topic is introduced in the context of a real-world research question, asking students to explore the concepts firsthand with guided activities and research projects. The number of students taking AP Statistics continues to rise, and the number of students taking an introductory statistics course has more than doubled since 1990. As a result, the goals of the second course have changed. This course must engage students from multiple disciplines and demonstrate the broad applicability of statistics to their lives. To that end, this text takes an inquiry-based approach that teaches advanced statistical techniques through group work and hands-on exploration using real research questions. The chapters are modular, so that instructors can select only the topics relevant to their course, and teach them in any order. The only prerequisite is an algebra-based introductory statistics or AP statistics course.

### **PRACTICING STATISTICS GUIDED INVESTIGATIONS FOR THE SECOND**

**COURSE** - Are you looking for Ebook *Practicing Statistics Guided Investigations For The Second Course*? You will be glad to know that right now *Practicing Statistics Guided Investigations For The Second Course* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Practicing Statistics Guided Investigations For The Second Course* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Practicing Statistics Guided Investigations For The Second Course* and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Practicing Statistics Guided Investigations For The Second Course*. To get started finding *Practicing Statistics Guided Investigations For The Second Course*, you are right to find our website which has a comprehensive collection of manuals listed.
