BOOK SYNOPSIS

If the prince wants to play, he can fondle his own jewels. That cocky, tyrannical bastard. He threw me in the palace dungeon! That's right—the Crown Prince caught me sneaking into his kingdom, so he slapped me in handcuffs. He's pompous, he's presumptuous, and he's a royal pain in my ass. But the madder I get, the less I can resist that chiseled body, those ripped abs, that arrogant smile, that raging hard... scepter. I hate his f*ckin guts, but I just can't keep my hands off the royal goods. ONE night together was all it took. One hard, fast, and unprotected mistake. And now... I'm pregnant with the prince's baby. But if the King discovers our dirty little secret.....OH. MY. GOD.
