BOOK SYNOPSIS

He stole her Freedom... Can she steal his heart? In a city run by Luka Belmonte, there is a dark and violent underbelly. When Whitney Greene is in the wrong place at the wrong time, she's dragged into the seedy world controlled by the Italian mafia. Now she's been taken in the middle of the night by mafia thugs who intend to end her life. *** The rules are clear: never leave a witness. When a job goes bad, Rocco has no choice but to destroy the evidence. In this case, that would be a young, beautiful woman with soulful eyes that haunt him. As the new Don, Rocco understands his duty. So why can't he kill her?
