BOOK SYNOPSIS

This five-book saga tells the entire amazing story of Judy Cooper, the famed Black Stiletto of vigilante fame. The story is told by Martin Talbot, the Stiletto's son, in the words of the Stiletto herself through her diaries. Martin does not discover these diaries until his mother, suffering from Alzheimer Disease, is confined to a nursing home. Imagine his utter shock when he realizes that his mother's diaries—and other revealing discoveries—bring the Black Stiletto's—his mother's—past into the present. This awe-inspiring five-book saga takes the reader through the parallel lives of Judy today and the young masked crime stopper from the 1950's and '60's. From New York to Los Angeles to Texas, Judy—the Stiletto—is a hero to the public, but a hunted enemy of law enforcement and criminals, including the Mafia. As she relentlessly fights for justice, her life is in constant danger. And that danger returns to the present to threaten Martin, his daughter, and Judy, herself. The Black Stiletto Saga covers the entire story. The old Judy, the young Judy, and the Black Stiletto. All five books in one package: The Black Stiletto, The Black Stiletto:Black&White, The Black Stiletto; Stars&Stripes, The Black Stiletto: Secrets&Lies, and The Black Stiletto:Endings&Beginnings.
