BOOK SYNOPSIS

Vivienne Michel is in trouble. Trying to escape her tangled past, she has run away to the American backwoods, winding up at the Dreamy Pines Motor Court. A far cry from the privileged world she was born to, the motel is also the destination of two hardened killers—the perverse Sol Horror and the deadly Sluggsy Morant. When a coolly charismatic Englishman turns up, Viv, in terrible danger, is not just hopeful, but fascinated. Because he is James Bond, 007; the man she hopes will save her, the spy she hopes will love her.
