BOOK SYNOPSIS

Twelve Years a Slave is the true story of a free man sold into slavery and kept in bondage for twelve years; though it is sometimes overlooked, it remains one of the most important true accounts of slavery ever written. This book is a companion to the influential work. This book contains a chapter by chapter analysis of the book, a summary of the plot, and a guide to major characters and themes. It does not contain the actual book. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.
