BOOK SYNOPSIS

[Menage and More: Erotic Paranormal Menage Romance, M/F/M/M/M, with M/M, werewolves, dubious consent, public exhibition, voyeurism, Consensual BDSM, spanking, sex toys, caning, fetish, sex in shifted form] Morrigan, a resurrected banshee, is attacked by a harpy and saved by two werewolves. Jack is the eccentric alpha and Mark is his handsome beta. They invite her to stay with them on their ranch in Wyoming for protection. She meets two more werewolves, Quinn and Damon, who are lovers. Her mates introduce her to the world of BDSM and act as her guardians to protect her from the forces of evil that are after her. Jack is torn between his love for Morrigan and the mission hell sent him on—to drag her to the underworld where Death can claim the woman who escaped him. Jack's heart forbids it, but Death has others in line to kill her and eternal punishment in store for Jack if he goes rogue. The pack must overcome their differences and band together if they are to protect Morrigan and redeem their soulless alpha. ** A Siren Erotic Romance
